

Staff Accountant

Description

The ideal candidate will be responsible for managing financial transactions, maintaining accurate records, and ensuring timely payments and collections. This role requires a strong understanding of accounting principles, excellent organizational skills, and the ability to collaborate with cross-functional teams.

Responsibilities

Accounts Payable:

- Process vendor invoices, ensuring accuracy and adherence to company policies.
- Reconcile vendor statements and resolve discrepancies in a timely manner.
- Prepare and process weekly check runs, wire transfers, and ACH payments.
- Collaborate with internal departments to obtain necessary approvals for invoice payments.
- Maintain organized and up-to-date vendor files and documentation.
- Address vendor inquiries and resolve payment-related issues promptly.

Accounts Receivable:

- Generate customer invoices and ensure accuracy in billing information.
- Monitor accounts receivable aging and follow up on overdue payments.
- Collaborate with sales and project management teams to resolve billing discrepancies.
- Process customer payments, including checks, credit card transactions, and electronic transfers.
- Reconcile customer accounts and apply payments accurately.
- Prepare and distribute regular reports on accounts receivable status.

General Accounting:

- Assist in month-end and year-end closing processes.
- Reconcile bank statements and other financial accounts.
- Provide support for audits by ensuring proper documentation and records are available.
- Assist in the development and implementation of accounting policies and procedures.
- Budgeting
- Analyzing financials
- Financial modeling and financial business planning
- Stay informed about industry trends and changes in accounting regulations.

Qualifications

- Bachelor's degree in Accounting, Finance, or a related field.
- Proven experience as an Accounts Payable/Accounts Receivable Specialist.
- GAAP Accounting principles.
- Strong understanding of accounting principles and financial processes.
- Proficient in using accounting software and Microsoft Excel.
- Excellent attention to detail and organizational skills.
